

My name is Barbara Corral. I want to continue to represent you as a member of the Quartzsite school District and take an active role in the ongoing improvement of our educational system. We have a strong school district with a mission to support our students, teachers and staff. I'm excited to offer my past work experience and talents to help our schools adequately plan for the challenges of future growth within the district's limited funding sources.

I have held many leadership roles over the years. I work for Los Angeles County for over 36 year. For most of this time I was an administrator managing over 100 employees.

I have served as a member of the Quartzsite School District over the past four years - as board member and president.

I enjoy community service and knowing that I have helped improve the education for our children that attend Quartzsite School District schools. I would appreciate your vote for me, Barbara Corral, to serve on the Quartzsite School District Board.
